How to get to this page:

On the COVA homepage - after you log in to your account, click the button for "Track the status of my application". Locate your application and click "View details" found on the bottom right corner of it.

You can download and view the *China Application (COVA) Instructions* on our website for a visual guide.

- A desktop/laptop computer is required to take the screenshot. Taking a photo of the page is not accepted.
- Ensure you click "Fit to page" on your print settings so the information is not cut out from the printout.
